ACTIVISTS FOR CHANGE

**We need to come up
with a humanity whose
aim is to live and not
simply to produce.**

Abbé Pierre,
Drawing strength from the infinitely small

2020

Responding to its founder's call and continuing to create a society that dignifies human life, the Emmaus movement will gather for its World Assembly in Uruguay in October 2020 inspired by the theme "70 years of struggles: still changing the world!"
