

WE

ARE ALL

EMMAUS INTERNATIONAL!

OUR COMMON CAUSES

are the fight against people trafficking and in favour of ethical finance, access to water, health and education, and fairer wealth distribution. It is together that we will fight for them.

BELONGING TO EMMAUS

means making things happen in today's world. Across four continents, in the Emmaus movement's 336 groups, men and women fight against the causes of misery and for the dignity of the most vulnerable.
