

THE POOR BUT I STILL HAVE HEALTHCARE

→ The right to healthcare is a fundamental right. Throughout the world, Emmaus groups are taking action every day to enable the poorest people to gain access to healthcare.

 **EMMAUS INTERNATIONAL**
350 ORGANISATIONS WORKING IN 37 COUNTRIES

→ For several years, with its groups in Africa and Asia, Emmaus International has been developing mutual healthcare schemes, which are based on solidarity and managed by marginalised people themselves.
